Are you catering an event or hosting a catered gathering such as a wedding or party?

Donate surplus food from your event to 412 Food Rescue to promote sustainability and help fight hunger in your community.

We connect your food donation with a local nonprofit partner that serves those who are experiencing food insecurity.

DONATING FOOD IS EASY

We can help you structure your event to minimize waste and maximize donations.

- Call us at 412-407-3960 (If connected to voicemail, please leave a phone number so we can be in touch with you!)
- Email darren@412foodrescue.org

FOOD DONATION GUIDELINES

All potential food donations to 412 Food Rescue must meet the following requirements:

- Produced in a facility certified by the county Department of Health
- Kept covered or wrapped at all times
- Has never been set out on a buffet prior to donation
- Kept and stored at safe temperature

If you know you will have excess food to donate in advance of your event, please contact us as soon as possible to streamline the donation process and ensure a prompt pickup.

TIPS TO AVOID WASTE

While it can be challenging to produce a no-waste event, here are two tips to consider in your event planning process:

- Only serve new food as needed
- Offer containers for guests to take home any leftovers that cannot be re-served
