Want to join this list?

Become a #FoodRescueHero today.

Our volunteers are our personal heroes. Seven days a week across seven counties in western PA, thousands of people are saving good food from going to landfill.

With the 412 Food Rescue app, you can volunteer as much or as little as you'd like. Claim a weekly rescue to volunteer every week at the same place, same time. Or claim a one-time rescue that needs to be transported as soon as possible.

It's EASY to make a difference. And for whatever you do, we thank you.
