412 Food Rescue was founded in 2015 in direct response to the fact that in the U.S., up to 40% of all food produced is wasted while 1 in 5 people in Pittsburgh experience food insecurity. Food waste is also one of the leading causes of greenhouse gas emissions and is the single largest component in our landfills.

# STEPS TO SUCCESS

By using these strategies, you can increase your chances of successfully reaching your fundraising goal and making a positive impact.

## 1 / Set your goal

Before you start fundraising, it's important to set a clear goal for yourself and for others to see. This will help you stay motivated and inspire others to help you reach your goals. Be sure to reference the minimum amounts required to RUN FOR FREE!

## 2 / Personalize your page

Create a personalized profile that tells your story and explains why you're raising funds. Use photos and videos to make your profile more engaging and memorable. Be sure to include information about why supporting 412 Food Rescue is important to you. This will help potential donors understand the impact of their donation.

## 3 / Make the ask

Now that you have set your goal and personalized your profile, it's time to ask for donations. Start by making a list of potential donors, including friends, family members, co-workers, and acquaintances. You can also reach out to your social media followers, local businesses, and community organizations.

You can send personalized emails or messages, make phone calls, host fundraising events, or create social media posts. Be sure to explain why you're raising funds and how the money will be used. Review the samples on the next page to help craft your message.

# FUNDRAISING SAMPLES

## Sample profile story

I'm running the Pittsburgh Marathon and raising money for 412 Food Rescue because no one should go hungry, especially when so much good food gets thrown out. 412 Food Rescue steps in to save that food and get it to people who really need it. Every day, they're out there rescuing fresh food and making sure it lands on the plates of families struggling with food insecurity. I'm inspired by what they do, and I'm excited to support them through this marathon. Every dollar helps make sure more people in our community get the healthy food they deserve. Let's do this together!

## Sample social media post

Hey friends! I'm pumped to be running in the 2025 Pittsburgh Marathon as part of the Run for a Reason program, raising money for 412 Food Rescue. They do amazing work rescuing good food that would otherwise go to waste and getting it to people who need it. I've set a fundraising goal to support them, and with your help, we can make a real impact—fighting hunger and reducing food waste that harms our environment. Every little bit counts, so if you can, please donate and help me hit my goal! Let's make sure everyone has access to fresh, healthy food and do some good for the planet, too. Thanks so much for your support!
